(Continued from First Page.)

the gagging and binding was only done in an effort of the murderer to throw the detectives

off the scent. Perhaps, they say, it indicates that the murderer was a small, weak man, endeavoring by these methods to make it appear that he was a big, power ul fellow, or that the deed was done

by two or more persons. Among Ruttinger's papers turned over to the Richmond County officers by Inspector Byrnes | we had known his address. is the following unfini-hed letter :

RUTTINGER'S UNFINISHED LETTER.
Fran Therese Ruttinger, No. 111 Neckar street, Stati-

Jau. 9, they went to live with Gustave S. Neu at 127 East Fifty-eighth street.

Mr. Neu, who is a well-to-do German and an electrician by profession, occupies the house with his family. It is a brown-stone front found. located between Lexington and Park avenues, and is handsomely furnished throughout.

Mr. Nen told a reporter of THE EVENING WORLD this morning that he did not keep a boarding-house, but that he had one or rooms which he reuted to young men, and when he took any one into his house he treated him like one of the family.

BUTTINGER AND WRIGHT IN NEW YORK. "Mr. Ruttinger and Mr. Wright," he said, which I put in one of the papers. They said

that they had just arrived in this country from Europe and intended to settle down in business in New York. "I liked their appearance, for they both seemed to be gentlemen and well educated men, particularly Ruttinger, who spoke Ger-

man, French and English equally well, and I gave them the front room on the top fluor. "Ruttinger was a tall, handsomely formed

man, over six feet in height, while his companton. Wright, was small and delicate in appearance. I should say that the latter did not weigh more than one hundred and thirty He had light brown hair which he pounds. He had light brown hair which he were fresh and new, there is evidence that the wore rainer long and bunchy in the back and a murder was committed on that very night, and "His eyes were blue and his hands small

and delicate, like those of a woman. His manner was also very effeminate, I thought, and he was in every way a contrast to Ruttinger. His movements were quick and nervous and he No one who had ever seen and talked with him throat. could ever forget him, an I would easily recog-"Ruttinger seemed to be the man of bus-

iness, for he always paid the bills, and Wright seemed to regard him as the head of the partnership—if they had one. Apparently he would do nothing without consuiting Rut-

'I don't know how much money Ruttinger had, but he seemed to have enough to enable them to live comfortably for some time, though I was given to understand that they wished to

". They did not associate much with my family or the other people in the house. They used to get the papers and look over the ' want' advertisements early every morning, and would start out right after breakfast.

*They did not usually get back until late in the afternoon, and on several occasions they remarked to me that they had had a hard day's work for nothing, and seemed to be somewhat disheartened by their ill-luck. Ruttinger gave me to understand that they were both willing to accept any position in business that promised advancement, and expressed the hope that something would turn up before

"He told me very little about his former life, although he said once that he had last been engaged in the lace business in Dresden. He seemed to be of a cheerful and sanguine conition, and once or twice came into the parlor and chatted with us after dinner.

"Wright was more reticient, and had very little to say to any one except Huttinger The two men seemed to think a great deal of each other, and in fact were like brothers.

"I don't think they went out in the evening to any place of amu-ement once while they were living with me, but usually spent the acted very much as any two friends would act who were together in a strange country, and we had very little to do with them.

that there was a chance of a good orening for | Sixta avenue and Seven:eenth street, and on them in Boaton, and that they were going on Monday next will open their place of busithere for a few days to look about, saying that ness, practically new, to their customers and they would return for their baggage if they the public.
